[Thorpe/Howe]

On the verge of a heatwave
Come on over to my house
We're gonna go out and play
We're gonna tear it all down
When we hit the strip tonight
Can you feel the power and the flashing lights
There's a voice that calls out to me
I can't hold back
Can't hold back anymore
* Towns on fire
Burning on the street with a heat of desire
Towns on fire
Spending time with the ladies of the metal
Towns on fire
This town's on fire
Towns on fire
Come on come on
Well my body's electric
Come out from the air
Can you taste of my frenzy
Can you tell where I'm game
Now I'm heading down that track
Midnight town and I won't turn back
There's a voice that calls out to me
I can't hold back
Can't hold back anymore
Anymore
[* Repeat]
The boys come out
We are playing asunder
Well, what's time is running
And I've got all day
With the stakes so high
I'm the best at the game
Now I'm heading down that track
Midnight town and I won't turn back
There's a voice that calls out to me
I can't hold back
Can't hold back anymore
Anymore

[* Repeat]
The boys come out
Town
This town's on fire
