DPS forever hit ya' with the live stuff  
Suliman the Bronx Ripper on the live puff  
V Love, that's my money like dominoes

I pop my junk my junk, I pop my junk my junk  
I pop my junk my junk, Pop my junk my junk  
I pop my junk my junk, like what you want you want  
Pop my junk my junk, I pop my junk  
The noise that we made is blue, in color sound  
???? that play my crew couldn't walk the new found  
I chalk the new sound  
I bop like Teddy Charles was burning  
when I excuse on excursions  
Arriving at the doors of mind shores of seas  
Burnt you with degrees solarly  
Plus my leather jacket go acid disappear in the wisp  
In the mist, with a fist  
Proletariat, Cad-i-lac steering it  
Fro soul gold Panther crew grab our poppers  
Now, I'm making bacon  
Still saying wa ah salaam ah lakum  
Fresh joints we make 'em like water  
Butter rap treasures at my leisure whatever whatever  
So I gave my mind a pound cause y'all we had it down  
We symbolize the blessed and represent the rest  
Grass in my pockets I release my hot rockets  
K.B. said "What you give 'em?" I was like "Mad rhythm."  
That's my junk

[Ladybug Mecca]

Eric ???? always hits me with the live stuff  
Bahamadia back the sounds with the love love

Feelin' da funk da funk, I am the funk  
I raise everyday for the mass  
Tote my fist right up right against the fascist

Descend to my borough digs my diction  
It's way on time ????  
So watch fifth line still shining  
I'm left this year a ???? player  
In my vein lives bell hooks Derrick Bell, Reggie Butler  
See Marvin knew it, and Sly knew it  
Cube know it and now we do it outta Brooklyn  
Outta sight brown sandals ???? in M.C.s with angles  
Commit to street corners where players be jayin  
I'm saying a Digable swinger  
Word to mouth brought the clout 'specially in the  
summer  
We vanish like vapor  
Burn paper  
We deal real-real so chill  
We linger in the funk

[Butterfly]
