f/ R. Kelly

[Puffy]

All I want is somebody who's gonna love me for me

Somebody I can love for them

All this money don't mean shit

If you ain't got nobody to share it with

Love rules the world, you feel me

1 - [R. Kelly]

He don't understand you like I do

No he'll never make love to you like I do

So give it to me

Cause I can show you 'bout a real love

And I can promise anything that I do

Is just to satisfy you

[Puffy]

When it hurt I ease the pain girl, caress your frame

Get them worries off your brain girl, I'm in your corner

Do what you want, it's your thing girl, I persist and try  
but

We one in the same girl, it ain't a game

So I can't play with you, I wanna lay with you

Stay with you, pray with you, grow old and gray with  
you

In good and bad times, we'll always make it through

Cause what we got is true, no matter what they say to  
you

I could straight lace you, not just appearance

Stimulate your mind, strengthen your spirits

Be that voice of reason when you ain't tryna hear it

You want it but you fear it, but you love it when you near  
it

Sit her on the sofa, get a little closer

Touch you right, do it like a man's suppose to

Knew you was the one, that's why I chose you

Cause you get down for yours and ride like a soldier

Repeat 1

Your soul ain't a toy, you ain't dealin' with a boy

Feel emptiness inside? I can fill that void

When you spend time with your woman and listen

It shines more than any bagguette diamond can glisten

I can't impress you with the cars and the wealth

Cause any woman with will and drive can get it herself

I'd rather show you it's heartfelt, make your heart melt

And prove to you you're more important than anything  
else

Worthwhile, special like my first child

When I see your face it's always like the first time

Our eyes met, I knew we'd be together in a tri-jet

I wanna give you things that I didn't buy yet

Hold you, mold you, don't know, let me show you

Ain't no tellin' what we could grow to

Let it be known, I told you

And I'mma be there for whatever you go through, my  
love's true

Repeat 1

[R. Kelly]

Don't let him sing you a sad song (No baby)

Waiting for love like this too long

(You don't have to wait, you don't have to wait on him,  
baby)

All that you need I can give you

(You don't have to wait, you don't have to wait on)

I do, satisfy you

(You don't have to wait on him)

[Puffy]

I'm the light when you can't see

I'm that air when you can't breathe

I'm that feeling when you can't leave

Some doubt, some believe, some lie, cheat, and  
deceive

So it's only you and me

When you weak, I'll make you strong, here's where you  
belong

I ain't perfect, but I promise I won't do you wrong

Keep you away from harm, my love is protected

I'll wrap you in my arms so you'll never feel neglected

I'll just make you aware of what we have is rare

In the moment of despair, I'm the courage when you're  
scared

Loyal, down for you, soon as I saw you

Wanted to be there cause I could hold it down for you

Be around for you, plant seeds in the soil

Make love all night, bending bed coils

You're a queen, therefore I treat you royal

This is all for you, cause I simply adore you

Repeat 1 until fade

[Puff]

This one right here goes out to all my sisters
