Doesn't matter what people say
I forget their watching eyes
I just want to bring to You
My most costly, my most priceless, my most precious
sacrifice

I'm longing to bring extravagant worship
Total surrender, reckless abandon
I pour out my love, pour out myself
Saviour

Breaking open, my thankful heart
I release, its praise perfume
And here I'll linger lifting to You
Songs of wonder, songs of worship, songs of deepest
gratitude

Extravagant worship
Total surrender, reckless abandon
I, I pour out my love, I pour out myself

In extravagant worship
Total surrender, reckless abandon
I pour out my love, pour out myself
Saviour
Saviour

Extravagant worship
Total surrender, reckless abandon
I, I pour out my love, pour out myself
And I pour out my love, pour out myself
Saviour
Saviour
