You can shine light into the darkness
And You can set every prisoner free
You can make streams flow in the desert
This is what we are longing to see

Because we know
And we believe

Nothing, nothing is impossible for You
Anything, anything can happen
When Your power breaks through
Hear our cry for Your supernatural touch
God of Miracles, come and visit us

Come Lord, shine light into the darkness
Come Lord, set every prisoner free
And come Lord, make streams flow in the desert
'Cause this is what we are longing to see

Because we know
And we believe

Nothing, nothing is impossible for You
Anything, anything can happen
When Your power breaks through
Hear our cry for Your supernatural touch
God of Miracles, come and visit us

Visit us
Visit us

Nothing, nothing is impossible for You
Anything, anything can happen
When Your power breaks through
Hear our cry for Your supernatural touch
God of Miracles, come and visit us

Come and visit us
Come and visit us
