I've been hiding  
I've been running away  
but I am so tired of staying the same  
grace is calling  
grace is drawing me back home  
to You alone

only Your love changes me  
only Your love sets me free  
only Your love can take my fear and doubt  
and change me from the inside out  
(I'ts) only Your love

In this moment  
With a heart wide open  
I cry  
Come and heal my life  
Mercy meets me  
I'm completely amazed  
I'll never be the same

I am reaching out  
So in need of you  
Come and heal my life  
Come and make me new

I am reaching out  
So in need of you  
Come and heal my heart  
Come and make me new

How I love you...(repeat)
