I'm gonna love you
Get down
C'mon boy
Alright

If you want my love
Come and get it girl
And if you want me for a toy
Do I have a choice (I don't know)

And if you want my love
Come and get it boy
And if you want to be friend
Through thick and thin
You can fill in, that's no sin

Having Big Fun

Cause I'm gonna love you (I'm gonna love you),
Each and every day (each and every day)
No more work (no more work), just a lot of play
Having Big Fun, under the sun
Because

I'm gonna love you
Each and every day
No matter what people have to say
Having Big fun,
Under the sun,

Ohh, I love you, oh baby
Ohh, I love you,
So let's have some fun

[x3]
Fun baby,
Big fun

Cause I love you and you love me
Lets get together and have Big fun
Just you and me, just you and me

Im gonna love you
Each and every day
I'm gonna love you
Each and every way
Having big fun,
Under the sun

Say you love me, say you need me
Say you want me, say you need me
Say you want me, say you need me
Say you love me, say you need me
Big, good, hot, creeeeee-ooooooooole

I'm gonna love you,
I'm gonna need you
Gonna have big fun
I'm gonna love you,
I'm gonna need you
Gonna have big fun
