I can't offer you a lifeline  
But I will catch you when you fall  
I can't guarantee the future  
I can't promise much at all

When I'm trying hard to sleep  
You lift me up

If I Confess what i feel  
Would you stay would you hold me  
Cos i get a little scared  
To reveal all the secrets inside me  
As long as the skies are blue  
I'll be drawn to you

I can't stop the world from turning  
I can't say what's right from you  
But i can offer you some  
Good times (yes, i can)  
Maybe we can see this through

If I Confess what i feel  
Would you stay would you hold me  
Cos i get a little scared  
To reveal all the secrets inside me  
As long as the skies are blue  
(As long as the skies are blue)  
I'll be drawn to you

Don't want no compromise  
Don't want to games  
I just want you stay with me baby  
I just want you to stay

If I Confess what i feel  
Would you stay would you hold me  
Cos i get a little scared  
To reveal all the secrets inside me  
As long as the skies are blue  
I'll be drawn to you

As long as the skies are blue  
I'll be drawn to you
