I don't wanna (No no no)

Never gonna be
A Fool no more

Never thought I'd see the day
You'd play me
But the kinda guy who lies
To get along

So caught up in your cheatin' world
With diamond studied rings and pearls
Now you can't deny it
And I won't be the fool no more

Don't you tell me
I'm the only one
Coz somethin' tells me
There's another one
Who calls you baby
Not the kinda girl
To take so lightly

I don't wanna be
A fool no more
Never gonnna be
A fool no more

All the times you said to me
I'll be there
But your the kinda boy
Whose time is nearly done (Nearly done done done
done)

So caught up in your cheatin' world
With diamond studied rings and pearls
Now you can't deny it
And I won't be the fool no more

Don't you tell me
I'm the only one

Coz somethin' tells me
There's another one
Who calls you baby
Not the kinda girl
To take so lightly

I don't wanna be
A fool no more
Never gonnna be
A fool no more

I don't wanna be
A fool no more
Never gonnna be
A fool no more

Don't you tell me
I'm the only one
Coz somethin' tells me
There's another one
Who calls you baby
Not the kinda girl
To take so lightly

I don't wanna

Don't you tell me
I'm the only one
Coz somethin' tells me
There's another one
Who calls you baby
I'm not the kinda girl
To take so lightly

(I don't wanna)
I don't wanna

Don't you tell me
I don't wanna be a fool
There's another one
Who calls you baby
I don't wanna
I don't wanna be a fool no more
I don't wanna
