[All:] Sundown

Friday twilight in the big town
Party people getting ready now
Somewhere baby,
I know your waiting, the city's vibrating

[Stacey:] The city's in a heatwave

Praying for the sun shade
Hoping that the evening will chill down the streets
Frankie: And I'm a little hot too
Cause I can only think of you
Hoping that tonight you'll find out what I like

[All:] Sundown

Friday twilight in the big town
Party people getting ready now
Somewhere baby,
I know your waiting, the city's vibrating
Sundown
Air gets cooler but my heart pounds
Loud and fast, I'm getting ready now
Somewhere baby,
I know your waiting, the city's vibrating

[Stacey:] I don't know if you see me

Don't know if you are dreaming
Hoping for someone who can show you who you are
Frankie: Tonight I'm going to find you
Flying on a breeze and blind you
Take you from this club land and send us to the stars

[All:] Sundown

Friday twilight in the big town
Party people getting ready now
Somewhere baby,
I know your waiting, the city's vibrating
Sundown
Air gets cooler but my heart pounds
Loud and fast, I'm getting ready now
Somewhere baby,
I know your waiting, the city's vibrating

[Calvin:] Bring back, back and forth

[Stacey:] Time don't need to rush, we can make it right
Cause we are meant to be, you and I
It's in the air we breathe all around, all around
[Stacey And Calvin:] Say you're longing too, cause I will
look for you at
