shiny perky models
tall gorgeous models
hungry hungry models is on the run...way

Maybe i need jacket
i see through that skirt
purple plastic earrings
finger down her throat
walking like a tiger
spinning at the end
hungry hungry models is on the run...way

hungry hungry models (4x)

shiny perky models
tall gorgeous models
hungry hungry models is on the run...way
hungry hungry models is on the run...way

hungry hungry models (4x)

lucy's gotta get this
geanie's on the pill
penny's in pajama's
cindy's kissing jill
shiny perky models
tall gorgeous models
hungry hungry models is on the run...way

freaky looking models
sitting by the pool
talking about fashion
hungry like a wolf
