What's it like when you die
Do you live on in memories?
If you can I want to try
I didn't get nothing done in this life
I need to try, I need to try.

It was right from the start
You get a knife in your heart
You want a wife and a car
You want the right to go to war
The jealous guy gives you the nod
Did you disappoint your god?

Sorry I couldn't be there when you needed me
I barely can hold the pen
through the flames that I'm seated in.
I wait, but wait don't kill the pain.

I was dying for a piece of it was crying for release
Then it was gone
But I can't die
But I was crying for release
But I was dying for a piece and now it's gone.

It's so easy, it's so easy
To give in, to give in

It's so easy, it's so easy
To give in, to give in

It's so easy, it's so easy
Building a dream
Building a dream
Building a dream.
