I got close  
To your skin  
While you were sleeping  
I taste the  
Salt on  
Your hands  
I reached out  
To touch you  
The morning light disarms you  
Won't you let me  
In?  
Chorus  
Ohhhhhhh  
How long till your surrender?  
Ohhhhhhh  
How long till your  
Surrender?  
It's a long way  
For heart break  
Let your heart wait and bleed  
Ohhhhhhh

How long till your surrender to me?  
I've become your shadow  
I'd love, but don't know  
How to  
I'm always lost for words  
You look like a thousand suns  
I wanna be the only one

Left when your day is done  
I can't have you close  
So I become a ghost  
And I watch you

I watch you  
Maybe if you stay  
We could die this way  
But I won't stop you  
I won't stop you
