Sometimes, well it gets hard to say just how I feel
inside.

We'll take it back, back to the start.

To show you every thought in my high heart.

Rewind, rewind, rewind time

To change our lives

What is passion, what is passion

With no romance in our lives?

We can rewind time to change our lives,

Forever and ever.

With late nights. Closed eyed.

The writer claims this is a breathtaking fight.

I know I need something but I know it's not your
sympathy.

Rewind, rewind, rewind time

To change our lives

What is passion, what is passion

With no romance in our lives?

We can rewind time to change our lives,

Forever and ever.

Rewind, rewind, rewind time

To change our lives

What is passion, what is passion

With no romance in our lives?

We can rewind time to change our lives,
