I saw you speaking to a tree.
Did you ever figure out why it mentioned me?
And can you hear the sound of laughter coming from
the boys?
The boys who always learnt their way through creative
noise.

This is not what you wanted.
And this is not what you needed.
This is not what you wanted.
And this is not what you needed.

Are you feeling happy tonight
To the sound of your own laughter?
Are you feeling happy tonight
To the sound of your own sadness?
Are you feeling happy tonight
To the sound of your own laughter?

I saw you speaking to a tree.
Did you ever figure out why it mentioned me?
And can you hear the sound of laughter coming from
the boys?
The boys who always learnt their way through creative
noise.

This is not what you wanted.
And this is not what you needed.
And this is not how you said it before.
This is not what you wanted, no.

Are you feeling happy tonight
To the sound of your own laughter?
Are you feeling happy tonight
To the sound of your own sadness?
Are you feeling happy tonight
To the sound of your own laughter?
Are you feeling happy tonight?

Are you feeling happy tonight
To the sound of your own laughter?

Are you feeling happy tonight
To the sound of your own sadness?
Are you feeling happy tonight
To the sound of your own laughter?
Are you feeling happy tonight?
To the sound of your own sadness?
Are you feeling happy tonight
To the sound of your own laughter?
Are you feeling happy tonight
To the sound of your own sadness?
Are you feeling happy tonight
