Shakedown 1979, cool kids never have the time
On a live wire right up off the street
You and I should meet
Dunebug skipping like a stone
With the headlights pointed at the dawn
We were sure we'd never see an end to it all
And I don't even care to shake these zipper blues
And we don't know just where our bones will rest
To dust I guess
Forgotten and absorbed into the earth below
Double cross the vacant and the bored
They're not sure just what we have in the store
Morphine city slippin' dues down to see
That we don't even care as restless as we are
We feel the pull in the land of a thousand guilts
And poured cement, lamented and assured
To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go, beneath the sound
Of hope
Justine never knew the rules,

Hung down with the freaks and the ghouls

No apologies ever need be made, I know you better
than you fake it

To see

That we don't even care to shake these zipper blues

And we don't know just where our bones will rest

To dust I guess

Forgotten and absorbed into the earth below

The street heats the urgency of now

As you see there's no one around
