blew, blew away  
but i don't wanna fade  
blew, blew  
and if you love her  
you know it will come true  
and if you need her  
you know that she'll be there  
stay awake, i lie here  
with her and i fall  
(and) when i wake inside you  
i know you know i'm yours  
blew, blew away  
but i don't wanna fade  
blew, blew  
and if you're sad, too  
until the angel sings and touches you  
don't confuse my only life  
i said blew, and please don't ever leave  
and i will grieve, and (re)member thee  
hope to meet you there  
and i wanna let her know

that i won't let her go

i wanna let her know

that i love her so

i'm blew, blew, blew away

but i don't wanna--

blew, i love you

blew
