We watch the children playing
Beside the Christmas tree
Presents are wrapped up
It's beautiful and secretly
The gifts you'll have
The fun awaits
For you inside
Christmastime has come
There'll be toys for everyone
'Cause Christmastime has come for you
I remeber dreaming
Wishing, hoping, praying for this day
Now I sit and watch them
The little ones I love
So excited by the way
Christmastime has come
There'll be toys for everyone
'Cause Christmastime has come for you
And now the word is given
It's time to peek inside
It's time to let the toys out

So anxious for
Your look of joy and delight
They've waited for
Just a surprise (?)
Christmastime has come
There'll be toys for everyone
'Cause Christmastime has come for you
Christmastime has come
There'll be toys for everyone
'Cause Christmastime has come for you
