"Drown"

No matter where you are, I can still hear you when you
drown

You've traveled very far Just to see you I'll come
around, when I'm down

All of those yesterdays

Coming around

No matter where you are, I can still hear you when you
dream

You traveled very far

You traveled far, like a star

And you are

All of those yesterdays

Coming around

Is it something someone said?

Was it something someone said?

Yesterday the sky was you

And I still feel the same

Nothing left for me to do

And I still feel the same

I wish, I wish I could fly

I wish, I wish I could lie

I will, I will try

I will, I will

Goodbye
