"For Martha"

whenever I run

whenever I run to you lost one

it's never done

just hanging on

just past has let me be

returning as if dream

shattered as belief

if you have to go don't say goodbye

if you have to go don't you cry

if you have to go I will get by

someday I'll follow you and see you on the other side

but for the grace of love

I'd will the meaning of

heaven from above

your picture out of time

left aching in my mind

shadows kept alive

if you have to go don't say goodbye

if you have to go don't you cry

if you have to go I will get by

I will follow you and see you on the other side

but for the grace of love

I'd will the meaning of

heaven from above

long horses we are born

creatures more than torn

mourning our way home
