say hello before you say goodbye

i should go before you make me cry

she wants to bleed every drop inside of me

but i aim to please the little girl inside of me, too

yeah, yeah

you know i hate to say (it)

oh no, i always stay

i don't want to be like the others, please

who is sorry now?

who is sorry now?

if i show you how,

will you let me down?

slit my wrists and die a whore

love to love to love what you adore

i can give you anything,

but please let me be your everything

you lose

yeah, yeah

you know i hate to say it

oh no, i always stay

i don't wanna be like the others, please

who is sorry now?

if i show you how,

will you let me down?

will you let me down?

who is sorry now?

who is sorry now?

my love is weakness

my love is oh so wrong

my love is sadness

my love is oh so strong

my teeth are razor sharp

my love is f***ing strong

i'll be with you

but not for long

oh, oh, oh

yeah, yeah

you know i hate to say it

oh no, i always stay

i don't wanna be like the others, please

who is sorry now?

who is sorry now?

who is sorry now?

if i show you how,

will you let me down?

will you let me down?

please let me down

please let me down

(song's over
