"I Am One"

I am one as you are three

Try to find a messiah in your trinity

Your city to burn

Your city to burn

Try to look for something

In your city to burn, you'll burn

Am I as I seem?

I'm down

Down, so down

Time is right for a guiding light

Try to turn to reasons in your bitter life

Your city to burn

Your city to burn

Try to look for something

In your city to burn, you'll burn

See you, don't you just want to

See you, I am one

See you, don't you just want to

See you

See you, don't you just want to

See you, I am one

See you, don't you just want to

See you, I am one
