and if there is a god  
i know he likes to rock  
he likes his loud guitars  
and his spiders from mars  
if there is a god  
i know she's watching me  
she says she likes what he sees  
but there's trouble on the breeze  
who are you this time?  
are you one of us, flying blind?  
'cause i'm down here throwing stones  
while you're so far from home  
and if there is a god  
you know they're on tv  
they're the spies with bedroom eyes  
that cower in our skies  
who are you this time?  
are you one of us, flying blind?  
'cause we're down here throwing stones  
while you're so far from home  
and if there is a god

if there is a god
