What moonsongs

Do you sing your babies?

What sunshine do you bring?

Who belongs

Who decides who's crazy

Who rights wrongs where others cling?

I'll sing for you

If you want me to

I'll give to you

And it's a chance I'll have to take

And it's a chance I'll have to break

I go along

Just because I'm lazy

I go along to be with you

And those moonsongs

That you sing your babies

Will be the songs to see you through

I'll hear your song

If you want me to

I'll sing along

And it's a chance I'll have to take

And it's a chance I'll have to break

I'm in love with you

I'm in love with you

I'm in love with you

I'm in love with you

So in love

I'm in love with you

With you

I'm in love with you

I'm in love with you

So in love

I'm in love with you

I'm

I'm so in love

I'm in love with you
