Day is ending

Birds are wending

Back to their shelter of

Each little nest they love

Nightshade's falling

Lovebirds calling

What makes the world go round

Nothing but love

When Whippoorwills call

And evening is night

I hurry to my blue heaven

I turn to the right

A little white light

Will lead you to my blue heaven

You'll see a smiling face

A fireplace, a cozy room

A little nest

That's nestled where the roses bloom

Just Molly and me

And baby makes three

We're happy in my blue heaven

You'll see a smiling face

A fireplace, a cozy room

A little nest

That's nestled where the roses bloom

Just Molly and me

And baby makes three

We're happy in my blue heaven

We're happy in my blue heaven
