got me a raygun
got me an altitude
can't help feelin' something's wrong
with every one of you
inside your head
trust me instead
inside your head
talk revolution
as if it matters now
i don't care anyway
just give me what i want
inside your head
trust me instead
inside your head
ooh, honey
fill me with your little whispers
store your little nightmares
of a generation set to burn
come on honey
let's go for a ride
down where the crickets learn to sing and play, baby

inside your head

trust me instead

inside your head

trust me instead

inside your head

trust me instead

inside your head

yeah, it's a motherfucker, oh
