Bleed in your own light

Dream of your own life

I hear you

I hear you return, come back again

Come on, come on

And when your days return

You'll find yourself alone

With your hands above your heart

And we'll rise

We'll rise again

I won't pretend, yeah yeah

We'll rise again

I won't pretend, yeah yeah, with you

'Cause when you find yourself alone

With your hands above your heart

'Cause when you find yourself alone

With your hands above your heart

You'll find yourself alone

To relax and fade away

You'll find yourself alone

To relax and fade away

I shall be free

I shall be free

I shall be free, of me

Come on, come on

Come on, come on

Come on, come on

I shall be free

Let go that rocket inside of me
