I spin off and lose my head
Throwing stray a spark instead
Gather strength down in my heel
And dig it in the world I peel
Way down deep within my heart
Lies a soul that's torn apart
Tell me, tell me what you're after
I just want to get there faster
I don't live - I inhale
I don't give - I unveil
Don't want to live in your misery
I don't live - I inhale
Sprinkle all my kisses on your head
Stars full of wishes fill our beds
She said, "I'm dead"
All this pain smothers me
Like a bomb that you can't see
Tell me, tell me what you're after
I just want to get there faster
I don't live - I inhale
I don't give - I unveil

I don't live - I inhale

I don't live
