"Slow Dawn"

midnight people
rushing for a downtown train
watching and wasting away
their hearts beat free
cool frequency
and i don't know what it is
i'm gonna run
the slow dawn
seeking sigh
oh so faint
i'm gonna run
the slow dawn
await, it's blessed undone
some birds on the run
and i'm not sure what it is
but i'm sure that i can give
awaiting the slow dawn
slow time moves, buying a servant
teach your silent sleep
slow dawn
midnight people

washing down here, wasting away

they're gonna run

the slow dawn

await the slow dawn

await the slow dawn

await the slow dawn

await
