All your seven dreams

Look close, son, and you'll believe

As your things come undone

See you are the only one

Flower, seize the hour I did

I wait

Waiting, waiting for your wake

I'll wait

When you wake up you're all weak

Throwing your life away

Someday, sorry coming home

Sorry snail

What you wait for

Flower, the pain will wash away, away

When the sun shines

Climbs through your window into your bed

When you wake up you're all weak

Throwing your life away

Someday, sorry coming home

Sorry snail

Down in my heart

Flower save the hours

Flower away

What you wait for

Flower chase the sunshine

Flower chase the sunshine

Flower
