Nothing left to say  
And all I've left to do  
Is run away  
from you  
And she led me on  
down  
With secrets I can't keep  
close your eyes and sleep  
Don't wait up for me  
Hush now don't you speak  
to me.  
Wrapped my hurt in you  
And took my shelter in that pain  
The opiate of blame is your broken heart  
your heart  
So Now  
I'm all by myself  
As I've always felt  
And i'll betray my tears to anyone  
caught in our ruse of fools.  
One last kiss for me, yeah

One last kiss goodnight  
Didn't wanna lose you once again  
Didn't wanna be your friend  
Fulfill the promise made of tin  
and crawled back to you  
I'm all by myself as I've always felt  
and I'll betray myself to anyone  
lost in anyone but you  
So let the sadness come again  
On that you can depend on me, yeah  
Until the bitter, bitter end of the world, yeah  
when god sleeps in bliss  
I'm all by myself as I've always felt  
And I'll betray myself  
To Anyone
