"Take Me Down"

take me down, to the underground
won't you take me down, to the underground
why oh why, there is no light
and if i can't sleep, can you hold my life
and all i see is you
take my hand, i lost where i began
in my heart i know all of my faults
will you help me understand
and i believe in you
you're the other half of me
soothe and heal...
when you sleep, when you dream,
i'll be there if you need me, whenever i hear you sing...
there is a sun, it'll come, the sun, i hear them call me
down
i held you once, a love that once, and life had just
begun
and you're all i see...
and trumpets blew, and angels flew on the other side
and you're all i see, and you're all i'll need
there's a love that god puts in your heart
