i send a heartbeat to
the boy that cries through you
relive the pictures that have come to pass
for now we stand alone
the world is lost and blown
and we are flesh and blood disintegrate
with no more to hate
is it bright where you are?
and have the people changed?
does it make you happy or so strange?
and in your darkest hour
my whole secrets flamed
we can watch the world devoured in his game
delivered from the glass
the less will line up last
the pale princess of the palace cracked
and now the kingdom comes
crashing down undone
and i am master of a nothing blaze
of recoil and grace
is it bright where you are?
and have the people changed?
does it make you happy or so strange?
and in your darkest hour
my whole secrets flamed
we can watch the world devoured in his game
time has topped before us
the sky can not ignore us
no one can separate us
for we are all that is left
the echo bounces off me
the shadow lies beside me
there's no more need to protest
cause now i can begin a death
is it bright where you are?
and have the people changed?
does it make you happy or so strange?
and in your darkest hour
my whole secrets flamed
you can watch the world devoured in his game
it's strange

it's strange
it's strange
(it's strange)
(it's strange
