You know I'm not dead  
You know I'm, You know I'm not dead  
You know I'm not dead.  
Now you know where I've been  
as you sleep  
torn I am  
weighted down  
patiently  
born of love.

You know I'm not dead  
I'm just living in my head  
forever waiting.

On the ways of your desire  
you always find a way  
and thru it all  
into us all you move  
forgotten touch  
forbidden thought  
we can never have enough.

You know I'm not dead.

Found below  
the creatures scream  
stranglehold  
a god machine  
begging to  
tear us out  
worn as hope.

You know I'm not dead  
I'm just the tears inside your head  
forever waiting.

On the ways of your desire  
you always find a way  
and thru it all  
into us all you move  
forgotten touch

forbidden thought  
we can never have enough.

You know I'm not dead.

We all want to hold in the everlasting gaze  
enchanted in the rapture of his sentimental sway  
but underneath the wheels lie the skulls of every c.o.g.  
the fickle fascination of an everlasting god.

You know I'm not dead  
I'm just living in my head  
forever waiting  
Forever waiting on cruel death  
you know I'm not dead  
I'm just living for myself  
forever waiting.  
You know I'm not dead
