ten times removed
i forget about where it all began
bastard son of a bastard son of
a wild eyed child of the sun
and right as rain, i'm not the same but
i feel the same, i feel nothing
holding back the fool again
holding back the fool pretends
i forget to forget nothing is important
holding back the fool again
i sensed my loss
before i even learned to talk
and i remember my birthdays
empty party afternoons won't come back
holding back the fool again
holding back the fool pretends
i forget to forget nothing is important
holding back the fool again
i forget to forget me
i forget to forget you see
nothing is important to me
i knew my loss
before i even learned to speak
and all along, i knew it was wrong
but i played along, with my birthday song
holding back the fool again
holding back the fool pretends
i forget to forget nothing is important
holding back the fool again
