Pledged your faith
my heart embraced
struggle to renew

Blurry mind
so hypnotized
fast enough who

Wonder where you are
Tristessa

Soul takes soul
as I take eye
I will wait for you

What you believe
you'll wish to receive
I won't believe in you

Hang on to your life
Tristessa

I love you true
Surely I do
I love you true
Surely I do
Surely I do
Surely I do (no)

Do you ever wake up and find yourself alone?
Do you ever wake up far from home?
What you believe
you'll wish to receive
I won't believe in you
Tristessa
Tristessa
