"Zero"

My reflection, dirty mirror
There's no connection to myself
I'm your lover
I'm your zero
I'm the face in your dreams of glass

So save your prayers
For when your really gonna need 'em
Throw out your cares and fly
Wanna go for a ride?
She's the one for me
She's all I really need
Cause she's the one for me

Emptiness is loneliness
And loneliness is cleanliness
Cleanliness godliness
And god is empty
Just like me

Intoxicated with the madness
I'm in love with
My sadness
Bullshit fakers
Enchanted kingdoms
The fashion victims chew their charcoal teeth

I never let on
That I was on a sinking shit
I never let on that I was done

You blame yourself
For what you can't ignore
You blame yourself for wanting more---

She's the one for me
She's all I really need
She's the one for me...
She's my one...
and only..
