I ain't gonna change my mind,
You ain't gonna change my time,
Remembers from the ..
And laughed ,
,
You'll be my best friend.

I change my time ohh,
You change my mind, ohh.
I ain't gonna change my mind,
You ain't gonna change my time,
You make me smile ,
You give me ..and ,
You're my best friend uohh
You're my best friend, uohhh.

Ohhh, ahhh, ooohh.

You change my time, ohhh
You change my mind,
I ain't gonna change my mind
You ain't gonna change my time,
You jump ,this spirit of the day,
You raise me ,open doors and going through the walls,
You're my best friend
You're my best friend, uohhh.
You're my best friend,
You're my best friend, uohhh.
