"As I Figure Out"

Visit "[As I Figure Out](#)" on MotoLyrics.com

I'm buildin' up a wall
I'm covering my eyes
I try not to scream
As i figure out those lies

I don't want to turn away
Gotta face the demons
I can't stand to feel ashamed
Gotta act on it

Is anyone awake?
Is anyone awake?
Can you hear me?
'Cause everything here is so loud
And everyone around should understand it

I'm breaking down the wall
I'm letting my mind out
I'll be stopping the leaks
As is figure out those lies

I will rise and take a chance
Gotta break the silence
I can't give in to despair
Gotta act on it

Is anyone awake?
Is anyone awake?
Can you hear me?
'Cause everything here is so loud
And everyone around should understand it

Is anyone awake?
Is anyone awake?
Can you hear me?
'Cause everything here is so loud
And everyone around should understand it

I'm buildin' up a wall
I'm covering my eyes
I try not to scream

As i figure out those lies

I'm breaking down the wall

I'm letting my mind out

I'll be stopping the leaks

As if figure out those lies
