1 - {Pun} For my thugs, for my thugs

2 - {Pun} Uptown baby, uptown

{Joe}: Don't wanna be, don't wanna be -- I don't wanna
be a playa no more

{Pun}: I'm not a playa I just crush a lot

{Joe}: But you know Big Punisher still down by law

{Joe}: Who's down to crush a lot

{Big Punisher}:

Hey yo I'm still not a playa but you still a hater

Elevator to the top hah, see you later, I'm gone

Penthouse suite, Penthouse freaks

In house beach, french countesse, ten thou piece

Rent-out lease, with a option to buy

Coppin a five-oh Benz for when I'm not, far up in the
sky

Puffin the lye, from my Twinzito

Up in the Benzito with my Kiko from Queens, Big
Danahito

We go back like PA's and wearin PJ's

Now we reach the peakage, runnin trains for three days

Who wanna ride it won't cost you a dollar

whether soft or harder of course you still gonna holla

My my, thick uhhh, I rip my ... through your hooters

I'm sick, you couldn't measure my dick with six rulers

Hold up, chula, I'm all about gettin loot

But I knock that boot, if you out to get poof

Chorus:

{Big Punisher}

I love from puerto rican to black brand molass'

I don't discriminate, I regulate every shade of that ass

Long as you show class, and pass my test

Fat fuckin breasts, highly intelligent bachlorettes

That's the best, I won't settle for less

I wanna get a brunette, with unforgettable sex

I lay your head on my chest, come feel my heartbeat

We can park the Jeep, pump Mobb Deep, and just spark
the leaf

It's hard to creep since I found Joe

Every pretty round brown hoe wanna go down low

But this Boogie Down pro-fessional, I'ma let you know

Once I quit the blows, get your clothes, cause you got
to go

out the do' downstairs, little brown hairs everywhere

(You nasty Twiz) I don't care

Round here they call me Big Pun, if you with the big
guns

Take time, known to make a chick -----

{Joe and Big Punisher}

In the hot tub, poppin bubb-ly

Rubbin your spot love, got you screamin Punish me

But it don't stop, watch the Pun get wicked

When I ----- even groupies like "Don't stop, get it get it"

(repeat 2X)

Chorus: w/o Big Punisher

{Joe}

Boricua, morena, boricua, morena (3X)

No more rollin with nuttin to

Unless it's Pun and the Terror Squad

Punisher, Punisher, Big Punisher

Punisher... Joe and Big Punisher

Boricua, morena, boricua, morena (6X)
