Whats going on?

Could this be my understanding

It's not your fault I was being too demanding

I must admit it's my pride that made me distant

All because I hoped that you'd be

someone different

There's not much I know about you

Fear will always make you blind

But the answer is in clear view

It's amazing what you'll find face to face

I turned you away because I thought you were

the problem

Tried to forget until I hit the bottom

But when I faced you in my blank confusion

I realized you weren't wrong, it was a mere illusion

It really didn't make sense

Just to leave this unresolved

It's not hard to go the distance

When you finally get involved face to face
