It's been much too long, I feel it coming on

The feeling is getting strong

It's been much too long, I feel it coming on

The feeling is in my bones

Too long, can you feel it, too long, oh can you feel it

Too long, can you feel it, too long, oh can you feel it

At last the long wait is over

The weight is off my shoulder

I'm taking all control

My mind is set so free

I'm where I want to be

To get the best of me

Too long, can you feel it, too long, oh can you feel it

Too long, can you feel it, too long, oh can you feel it

I see, you feel the way I do, the feelings all so true

The good feelings coming through

My mind is set so free

I'm where I want to be, to get the best of me

Too long, can you feel it, too long, oh can you feel it

Too long, can you feel it, too long, oh can you feel it

It's been much too long, I feel it coming on

The feeling is getting strong  
It's been much too long, I feel it coming on  
The feeling is in my bones  
Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it  
At last the long wait is over  
The weight is off my shoulder  
I'm taking all control  
My mind is set so free  
I'm where I want to be  
To get the best of me  
Too long, can you feel it, too long, oh can you feel it  
Too long, can you feel it, too long, oh can you feel it  
You know you need it, I need it too  
You know you need it, it's good for you  
We're gonna move  
You know you need it, I need it too  
You know you need it, it's good for you  
It's good for you
