im a loner in my room
fighting with myself
i heard many voices
that traped in my depth
i hate my own policy
i losy my dignity
in this fast busy world.... im bored!
push the panic botton
i want a revoluion
im sick of many questions
i want a revolution
depression killing me
pretend im not confuse
tie me in my room
coz day by day i lose
push th panic botton
i want a revoluion
im sick of many questions
i want a revolution
break the damn division
i want revolution

no time for solution

i want arevolution

revolution.....
