Wake up kids
We got the dreamers disease
Age 14, we got you down on your knees
So polite, we're busy still saying please
Frenemies, who when you're down ain't your friend
Every night we smash their Mercedes-Benz
First we run and then we laugh till we cry
But when the night is falling
You cannot find the light
If you feel your dream is dying
Hold tight

[chorus]
You got the music in you
Don't let go
You got the music in you
One dance left
This world is gonna pull through
Don't give up
You got a reason to live
Can't forget
We only get what we give

Four a.m. we ran a miracle mile
We're flat broke but hey we do it in style
The bad rich
God's flying in for your trial
And when the night is falling
You cannot find a friend
And if your dream is breaking
Just pray

[chorus]

This whole damn world could fall apart
You'll be ok follow your heart
You're in harms way
I'm right behind
Now say you're mine

[chorus]

Fly high
What's real can't die
You only get what you give
You gonna get what you give
Don't give up
Just don't be afraid to live

Health insurance rip off lying
FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Fashion shoots
With Beck and Hanson
Courtney Love and Marilyn Manson
You're all fakes
Run to your mansions
Come around
We'll kick your ass in

Don't let go
One dance left
Don't give up
Can't forget
