Im walking into the basement/I step onto the floor/I feel
a breze/A breze so cold/I suddenly remember your
voice/Warm as the sun/Comforting as a
bed/Remembered in my head/Your love/I see

your picture on the floor/I picked it up/Then started to
cry/I just remembered the days i wanted to die/For you
only/

Chorus:

I see an image of you/I still have been feeling blue/Why
did you leave me here all alone/I wish i would have
known/I wish i could have gone/with you/

A door opened/I turned around/Nothing was behind
me/I walked thru the door/Found a mirror/Then/I found
a note that said/

Why arent you here/(Chorus 3X)

I will always remember the image of you/Even if i still
can't find you/Hold on close/I will be here/Just call my
name and i will be there/Chorus 3X
