These are the reasons I can't stay
These are the reasons why I feel you're no good for me
I think you should know
What you do won't set you free
It only ruins all the chances of what you can be
I hate to see you fall
Like the other angels who had fell from above
Now they don't know what to do
You're a prisoner of your own lust, your own kind of
love

Chorus:

I'm not the one who can set free this little white dove
Now I don't know what to do
You've fallen too many times for me to fall in love
Repeat (1x)

And now I know you see the change
So don't you try to rearrange the way I feel
I don't think you know
It doesn't matter what you say
It doesn't matter if you think that we still can be
Cause baby its too late, you fell
Like the other angels who had fell from above
Now they don't know what to do
You're a prisoner of your own lust, your own kind of
love

Chorus (2x)

I'm not the one who can set free this little white dove
Fallen too many times for me to fall in love

Chorus (2x)
