Boy why can't you see  
our love was meant to be  
how could you deny what we've shared  
I just cant believe that you take my heart and leave  
after all the times we been through.

#### Pre Chorus

You asked me then  
and I'll tell you it again.  
I'm in love with you  
you're the only one in my life.

#### Chorus

Baby I would give you everything to have you by my  
side  
Baby I would give you all my love to share my life with  
you  
Baby I would give you all my heart I promise I'll be true  
Baby I would give you all my soul for all eternity

Baby please believe,  
your touch is all I need  
can it just be me in your arms.  
I know you cant hide  
what you truly feel inside  
please don't turn your back on me now

#### Repeat Pre Chorus

#### Repeat Chorus

I can see in your eyes  
the way you feel  
when we are together as one  
sitting here side by side  
I dream of me would never be a part.

#### Repeat Chorus 2x
