#### Verse 1

I just can't understand the ways,  
of all the men and their mistakes.  
You give them all your heart,  
and then they rip it all away...

#### Verse 2

You told me how much you loved me,  
and how our love was meant to be.  
And I believed in you,  
I thought that you would set me free...

#### Chorus

You should've just told me the truth,  
That I wasn't the girl for you...  
Still I didn't have a clue,  
so my heart depended on you... Whoah  
Although I'll say I hate u now,  
although I'll shout and curse you out...  
I'll always have love for you, because I am a girl
