I'll Be Okay

Lyrics & Music: Christine Thuy Huong

Vietnamese lyrics: Dinh Huan

I'll never forget my dreams
I'll be okay you'll see, no need to run away
Boy on my own, I'll be stronger than yesterday
As long as I'm holding on
I'll be okay

Close the door, ignore the whispers inside
It's not the drama I can't take, its people
Everyone's talking,
There's the truth then the lies
But you don't have to hear the words their saying

Pre-chorus

Trust in me when I say
Sometimes it's hard but you just
can't give up any day
No matter what you're thinking
Don't lose track of your way
Love's just an endless little game, you and I play

Chorus

I'll be okay you'll see, no need to run away
Boy on my own I'll be stronger than yesterday
Never forget my dreams
I'm reaching for the stars I deserve to take
I'm telling you that
I'll be okay you'll see
No need to pretend
Fight my way till the end
I know I'll be alright
as long as I'm holding on
I'll be okay

Quay lung di, dung buon phien chi bao ngay qua
Quanh ta luon luon, gian doi voi loc lua
Ai khen ai che du su that hay dau moi
Nhưng toi hom nay da khac voi xua nhieu

Music Break

I'll be okay you'll see, no need to run away
Boy on my own I'll be stronger than yesterday
Never forget my dreams
I'm reaching for the stars I deserve to take
I'm telling you that
I'll be okay you'll see, du tinh con nhieu ngan kho
Hay du lay tam hon nay, vi doi con nhieu giong to
Mac du doi con bao trai ngang

As long as I'm holding I'll be okay
As long as I'm holding onâ€¦
