Speak:

Huh, it's about time  
So you let him go ?  
Yeah, it's way too late  
I've had enough  
Girl, you deserve better  
Yeah, I don't want no part of him.

Used to think that we would last  
But time has gone by so fast  
You try to run your game on me  
Deny all that's plain to see

Pretend I ain't even there  
Leave me, like you just don't care  
But I won't let it get to me  
Just wait I'll be okay you see

PRE CHORUS

You go out you have your fun  
Then you realize your time is done  
Now you wanna come back to me  
But I ain't gonna let it be

CHORUS

So you want me  
But it's way to late  
You can't have me  
Cause I'm moving on  
I don't need your love or your affection  
I don't want no part of you  
You think you know me  
But you gotta see  
That I'm not the one  
You wanna mess with  
So go on play your games  
On someone else  
Cause I don't want no part of you

I see you come crawling back  
Thinking you could change the past

Too bad you just lost your chance  
To have me in all your plans

So sad, now you have yourself  
To blame, you and no one else  
I'm gone living up my life  
I know things will turn out right
